

## BSNC. COVID-19 HEALTH SCREEN/DECLARATION

Our aim is to promote and maintain the health and safety of all our Netball family and the wider community. Please help us by conducting a self-screen **before** you attend any netball ..

1. **HAVE YOU ANY COVID SYMPTOMS? (High temperature? new continuous cough? loss or change to sense of taste or smell?)**

If **YES** please do **not** attend netball, return home and take a test immediately.

*A positive test currently still requires isolation atm per govt website guidelines. Duration varies depending on whether vaccinated or not and outcome of further tests.*

- Do please let us know and if your symptoms have developed within **48 hours after any netballing activity.**

2. **ARE YOU A CLOSE CONTACT OF A POSITIVE CASE? (This includes being a household contact or identified by NHS Test and Trace, or thro netball orgs. etc)**

*Follow govt guidelines. Note: currently non-vaccinated contacts O18 must isolate.*

**Providing** you are fully vaccinated or U18, have no symptoms AND have a negative LFTest prior to netball, **you may still attend.**

3. **NEITHER OF 1 and 2 ABOVE and feeling well enough to attend?**

EN and netball leagues currently still recommend taking a lateral flow test before attending netball.

If a positive,result, see above. Please let your Capt or Covid Officer know asap.
